

2018 GFOA BETTER BUDGETING PROGRAM 2 - POLL QUESTIONS

We appreciate your participation in the interactive polling that will be displayed throughout today's presentation. Please take a moment to review this short tutorial and keep this list of questions handy as a reference. Remember, if you miss a question **it will not affect your CPE credits**.

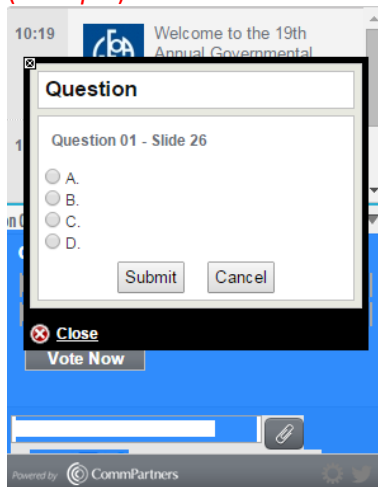

At the conclusion of the presentation all participants will receive an e-mail with a survey to evaluate the program. **A link to the polling results will be provided as well.**

In order to see a poll you must be in standard view, not full screen and be sure the chat tab is selected. *(example)*

The screenshot displays the MediaCenter 2.0 interface. At the top left is the GFOA logo and the text "Government Finance Officers Association". At the top right is the "MediaCenter 2.0" logo, with "Powered by CommPartners" below it. The main content area is a yellow slide titled "POLLING QUESTION 1" with the following text: "What is the most difficult revenue category for you to monitor?" followed by six multiple-choice options: A. Property tax, B. Sales tax, C. Other taxes, D. Business license / taxes, E. State / Federal government grants, and F. User fees. On the right side, a chat window is open, showing a message at 1:08: "you do not see video, please press the F5 key on your computer keyboard to refresh (command R for Mac)." and another at 1:11: "Tech Support: For live technical assistance click the Help tab or email gfoa@commpartners.com". A poll question is also visible in the chat at 1:21: "which of the following in their statement of net position?".

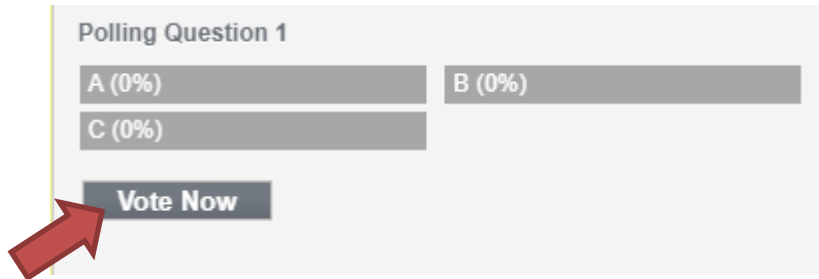

A popup window will appear in the chat feed when the poll is open. The question number and multiple choice answers will appear on the slide and you can also reference the list of poll questions below. *(example)*

The screenshot shows a popup window titled "Question" with the text "Question 01 - Slide 26". Below the text are four radio button options: A., B., C., and D. At the bottom of the popup are "Submit" and "Cancel" buttons. Below the popup, there is a "Close" button with a red 'X' icon and a "Vote Now" button. The background shows a chat window with a message at 10:19: "Welcome to the 19th Annual Governmental...".

2018 GFOA BETTER BUDGETING PROGRAM 2 - POLL QUESTIONS

It is possible for more than one poll to be open at the same time, so if the window of the previous poll closes when you are still trying to vote for that question you can find it and bring it back up by clicking on the poll question as it scrolls to the left and then press **Vote Now**. This will bring the popup for the poll you selected back up and allow you choose your answer and submit.

You will know when a poll is closed when you see the poll results in the chat feed.

For questions about polling or other technical questions please email gfoa@commpartners.com or click on the help tab for live assistance.
