

John Boruvka, *Vice President, IPM, Iron Mountain Digital*
john.boruvka@ironmountain.com

John Boruvka has been involved in the technology escrow field for more than 19 years. His focus is helping companies create solutions relating to protecting intellectual property assets. Mr. Boruvka has participated in the development of strategies and review of thousands of technology escrow agreements for software, hardware and other proprietary information that established to protect against mergers, bankruptcies or other events that affect the ability of vendors to support their technology.
