

**L. Shawn Cheadle, Sr Contracts Counsel & Assistant Secretary, Teledyne Cougar, Inc. and President-Elect, Director, a ACC Colorado Chapter**

Shawn Cheadle is currently Senior Contracts Counsel and Assistant Secretary with Teledyne Cougar, Inc., where he is primarily responsible for contracts and export control, and he is responsible for records management enterprise-wide for the parent company, Teledyne Technologies Incorporated. Prior to the acquisition of Cougar Components Corp. by Teledyne Technologies, a \$1.3B aerospace and defense company, Mr. Cheadle served as General Counsel, Corporate Secretary and Regional Vice President of Cougar Components Corp., where he continues to run Cougar's Lakewood, Colorado facility. Mr. Cheadle's primary areas of practice include contracts, importing and exporting compliance, Defense Priority Ratings and other FAR compliance, risk management, employment law, and corporate governance. Prior to the acquisition, Mr. Cheadle served on various management teams, including Business Development, Internal Audits for quality certifications, and he was the Lean-Pathways Coordinator for the company's lean manufacturing program with Rockwell Collins and the Navy Mantech group. Previously, Mr. Cheadle was the Managing Partner of the firm Cheadle & Cheadle, LLC, where he practiced business, criminal and domestic relations law. He is a member of the ABA, Colorado and Denver Bar Associations, and ACC America, Colorado Chapter, ARMA, and the NCMA. He earned his J.D. from the University of Denver, College of Law, and his BA in English, from San Jose State University, where he studied under the Career Writing program.
